PROJECTS RESUME CONTACT

&lt;li&gt; tag

&lt;h1&gt; tag

I'm a passionate **UX/UI** and **Graphic Designer**. Within my designs I value simplicity, convenience and detail. Whether I'm designing websites, mobile app, books, branding or packaging I always strive for beauty and balance, yet functional.

Welcome to my portfolio.

GOT TO GO RESTAURANT FINDING APP &lt;p&gt; tag

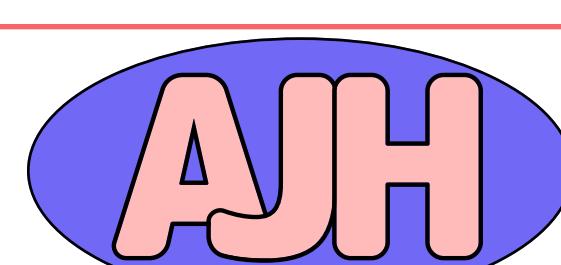

UX/UI Design / 2022

Build an app that can help users locate nearby public restrooms with the minimum amount of clicks and also include features that allow users to proactively, even automatically, find public restrooms that meet their filtered needs. &lt;p&gt; tag
